What do you think? Did he do it?

Believe it or not, I give him an A- for this fuck. There were a few minor points like keeping his dirty tennis shoes on while we fucked, but once we got into it I forgot about them. And he could have been a little bigger to fill my 50+ pussy, but I really won't hold that against him. Check out the video and let me know how you think he did!

— *Motor City madness came
all over me and my wife...*

down & dirty in Detroit city

CONVENTIONS JUST WERE'NT MY THING – BUT WHEN YA GOTTA GO, YA GOTTA GO!

This past May, my company had their world-wide convention in Detroit. My wife and I work for a major government contractor designing power systems. Over 60% of our office was required to attend and we were in that group. The convention was held for three days at the Marriott Hotel at the Renaissance Center downtown. We had rooms on the 56th floor with quite a view of Detroit and Canada. After the first day, we had had enough. We needed something less boring and more adventurous to do.

I have been married to Felicia for seventeen years now and things just keep getting sexier. My wife is a brown haired 52-year-old beauty with nice big breasts that just beg to be fondled and an ass to die for. She's sexually curious and loves to do anything kinky, making our sex life full of surprises. For a long time now our favorite activity was to have Felicia sit on my cock and pretend that I was another man.

She would tell me dirty stories about how much hornier her fantasy man was than her husband, and I respond as if were her imaginary stud, telling her what a hot cunt she had. Well, over time these playful encounters began to have an effect on me and I couldn't stop fantasizing about Felicia actually making it with

*Detroit's magnificent RenCen hosted our convention,

about advances in thermonuclear dynamics!*

another guy. I asked her on several occasions if she would like to have sex with another man for real, but she said she just liked to pretend. One evening while fucking Felicia's gorgeous ass from behind. I began whispering a hot story in her ear. I incorporated a little reality into it as I told her about my new coworker. I explained that Alex was a real ladies' man, and I believed him to be well-endowed.

When I told Felicia that Alex always seemed like he was ready to fuck, she began moaning. I began to describe his sparkling blue eyes and powerful build as I buried my cock deep inside her cunt. Suddenly, Felicia pushed her ass up against my hips

and cried out, "Fuck me hard, Alex!" Felicia came for what seemed like two full minutes, and it drove me wild. Hearing my wife call out for another man's cock made me fuck her even harder, until I came like I never had before. In the weeks that followed we had several sessions during which I would talk to Felicia about Alex. After that she finally asked if I could arrange a meeting. It was difficult for me to approach Alex about the subject, but I had the feeling he would go for it. He had briefly met my wife one time at the office, and had made a comment to me in private about how beautiful she was.

Alex began slamming his prick into her cunt with quick powerful thrusts, all the while telling me what a hot piece of ass my wife was.

Eventually I managed to have lunch with Alex. I told him that I was sure Felicia would be agreeable, and that I would keep him posted. Over the next week I was in a constant state of arousal just thinking about the possibilities. Every time I fucked Felicia I knew that Alex would soon be enjoying the feel of her tits and her silky pussy. On Friday, the evening of our first day at the convention, Felicia asked if we could invite Alex over to our hotel room, and I gave him a call to set it up. Once I hung up, I told Felicia our fantasy was about to come true. She looked at me a little sheepishly, and then smiled oh-so seductively.

I watched as she undressed and looked through her lingerie while deciding what to wear. Her tits swayed from side to side as she rummaged, and I couldn't believe that Alex would soon have his hands on them. Felicia said that she was a little anxious about what was coming, and she asked me if I could leave her alone with Alex for an hour or so until she felt relaxed. Then I could join in the action once it got going. This idea appealed to me even more. I imagined myself walking in on Felicia offering Alex her cunt, and it made me hot as hell.

Felicia was still dressing when Alex showed up, wearing casual clothes which showed off his muscular body. I offered him a drink, then told him I'd be going out for an hour or so and I asked him if he thought he could take care of my wife while I was away. He assured me that it would be no problem. Felicia came out of the bathroom wearing a transparent chemise, which showed off the beautiful curves of her ass and hips. I watched Alex drink in the sight of her body, and couldn't wait to leave so I could come back. I kissed my wife goodbye and told Alex to enjoy and left with a raging hard-on knowing I'd return soon

enough. I took the elevator down to the lobby and settled in at the hotel bar to see if I could pass the time there. I sat down in front of the television and watched the Red Wings in action.

I wondered what Felicia was doing with Alex just then, and I felt my legs go weak. All the blood was rushing directly to my cock as my mind was flooded with a variety of appealing ideas. After a few beers and much clock watching I paid my tab and raced back to the room. As I walked up the hallway, I really didn't know what to expect. Maybe the chemistry wasn't right between them, or maybe they have run off together! I couldn't wait to see just what, if anything, was happening in the room. When I opened the door, I was surprised to see that my coworker and wife were stark naked on the bed. What I saw first was Felicia's bare ass, her back was turned to me and she was squatting over Alex. I couldn't see his face, but his big cock was sticking straight up, waiting for my willing wife to lower her cunt onto it.

Felicia turned her head and gave me a sexy grin. She sure wasn't the shy wife I left behind an hour before. I moved in and saw Alex helping himself to her ample

breasts, fondling and sucking them like a man who hadn't felt a tit in years. Alex called out to me, saying that I was just in time, because he was going to fuck my wife. I quickly unzipped my pants and started stroking my hard-on as I helped Felicia lower herself onto Alex's generous joint. His cock was much larger than mine, with a big head and thick veins running

along the shaft. I moved closer and watched as Felicia's pussy lips slid down over his long tool. Then Felicia began bouncing up and down on him in a fury. Her screams of pleasure told me that his giant rod was stretching her cunt to new dimensions. I held onto Felicia's ass as it bounced up and down on another man's cock. I thought my balls were about to burst, but right then I wanted to enhance my wife's pleasure even more than my own. I couldn't believe what was happening, and I felt a little dizzy. Felicia kept crying out about how big Alex's cock was, and every time she said it my dick would throb. Alex began slamming his prick into her cunt with quick powerful thrusts, all the while telling me what a hot piece of ass my wife was. Hearing him talk that way excited me even more. His hands were clutching her ass, exploring her rosebud anus as he pulled her hard against him.

Alex groaned out that he was going to give Felicia what she'd been waiting for, and he shot his load up her vagina. I thought that she would surely want a break after such an intense session. But Felicia had something else in mind. She dropped to her knees and began to lick her own pussy juice off Alex's limp cock. She really went at it too, nuzzling her nose un-

der his balls and licking him clean. My organ started to grow hard again when Felicia took him in and began deep-throating him, swallowing so much of his semi-erect dick that her chin was jutting into his big pink balls. By the time Alex pulled his cock halfway out of Felicia's mouth, it was rock hard again. Her mouth was stretched to it's fullest, but she still eased his big snake in and out of her throat. She reached out and began fondling my balls with her left hand, while she did the same to Alex with her right.

My own shaft was throbbing again, when I began stroking it as Alex told me what a good little cock-sucker she was. I loved what I was hearing and seeing. My wife was on her knees, her pretty head bobbing back and forth, making her curls bounce. Her eager mouth stretched in a long oval as she got the face-fucking of a lifetime. Alex was grunting now, shoving his giant penis all the way into Felicia's mouth, making it disappear up to his balls. I could see her throat muscles moving as she took as much of his come as she could, while the rest of his white load spurted out of the corners of her mouth. Even more come was shooting out of my dick as I watched her swallow down Alex's jism. Felicia looked up at me and smiled as her cheeks glistening with stray dots of sperm. I bent down to kiss her mouth, tasting Alex's salty semen on her probing tongue. We finally took a break. Felicia went to clean herself up while I grabbed some beers from the mini-fridge. But that wasn't the end of the evening. Alex spent the night and he and I took turns boinking my wife silly, much to her delight. The climax of it all for me was watching Alex fuck my wife.

The last two days of the convention were a dribble of faceless people and meetings, but all we thought about was getting back in the sack with Alex. We left Detroit on Sunday night, driving the four hours to our home. Felicia played with my cock as I drove and with a 'Detroit lean' told me how it was to fuck Alex and me in the hotel room. That kept me hard for hours. Along long stretches of the I-75 freeway, she'd go down on me and I'd thumbs-up the truckers who glanced over and saw what she was doing. Felicia and I have had threesomes with Alex two more times since that Friday back in our hometown. We've been fantasizing about finding another man for her to fuck, and Felicia has even mentioned that she'd like to try it with a woman. I've got no quarrel with that!

Nicole says she loves animals, nature, fast cars, classic black-and-white movies, porn and, of course, lots and lots of sex. When she's not fucking on camera, she says she likes to fill her weekdays and weekends with pussy-stuffing cocks. And the bigger, the better.

She says she has no preference to older or younger men as long as they have the man-meat and can keep up with her. Now, we think that may be a formidable task.

This cock-loving sexpot's super-hot scene is free online for you and your cock.

Oh to be a fly on the wall during this fuckfest.

The best part of the whole scene is that everyone wants to get the other one off. No selfishness here; just good old-fashioned girl-on-girl-on-boy sex that all us guys would like to experience at least once in our lives. Fortunately you can live it out vicariously through this scene when you download the video.

Be sure to have an extra helping of tissue at hand because you're going to need it by the time it's finished. And so will the fly.

NASTY HOUSEWIVES PRESENTS

50+ Magazine Editor:

I've kept this little incident all pent up and have not shared it with ANYONE! I cannot tell my husband or my daughter, nor any of my good friends, but I cannot hold it in anymore. I don't know if it's guilt or sexual avarice.

My daughter's third year of college is about to start this fall. She and her new roommate, Angela, are in the process of packing Nadine's things in her bedroom. They met last year and decided to room together this year. Angela's from the next town over and they've become good friends. Angela seems like a sweet girl. I'd only met her a few times before today.

I had returned from an early evening out with my husband and I'm a little overdressed to help. Nadine's in shorts and a tank top and Angela's in a cute top and short skirt. So, we're up in Nadine's room and they ran short on boxes. Nadine says she'll go get some more and stop to get us some take-out burgers for a late snack.

BRITTANY'S A-BLAZE

I picked up a copy of your magazine and after looking at Brittany, I had to write you. She is one of the hottest older ladies I have ever seen. She's hot and sexy – and hot. I love those big breasts and full figure. No little waifs for me. I want a complete woman with a healthy appetite for food and sex. She looks like she could take a pussy pounding, roll over and let you stick it in her ass. The harder you push those buttcheeks, the harder they would push back. The others in your mag are fine mature women, too, but I keep going back to Brittany for my pleasuring time. Great job with one hot lady.

Keep em cumming! — Jeremy, Columbus, Ohio

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

Okay, we all say and she leaves. Angela and I sit on the edge of the bed and look over the remaining mess trying to verbally organize it. We both reach to pick up a pair of Nadine's undies that are lying on the floor. We grab them at the same time and she looks at me, laughing. I give out a meek laugh and say 'Excuse me.' She touches my hand as if to say that's okay, but leaves her hand there on mine.

Now I'm as straight as they come, but when she touched my hand I literally felt a spark. If it was static electricity or not I don't know, but she got up, stood in front of me, raised my chin up so I had to look at her and with her other hand started to unbutton her shirt. I couldn't believe what was going on in front of me. I asked what she was doing and she said – "You, I hope." I did not find that amusing but could not speak up. She finished with the buttons and opened her shirt to reveal perfect 19-year old breasts. I couldn't take my eyes away and she knew it. She took her hand from

As I pushed fingers deep into her cunt, I found her wet and ready. I pounded my fingers in and out of Angela's pussy, making her moan and sigh.

under my chin, took my hand and placed it on her right breast. I touched it and it was smooth and firm with an already hard nipple.

My mind was spinning, but I couldn't control my hands or my body. I pulled Angela's top wide open and began to lick her perfect nipples. She softly moaned and pulled my head tighter into her breast. I cannot believe how much I was enjoying this. The new experience, the new body, a beautiful female body. We know-

ing looked at each other and she said under her breath that Melalnie would be back soon. The urgency in her voice was matched by the urgency in my stripping her and pushing her to the bed. We push Nadine's unpacked clothing off the zebra-print bedspread. I spread her legs so I could reach my hand up her skirt and fondle her bare pussy. As I pushed fingers deep into her cunt, I found her wet and ready. I pounded my fingers in and out of Angela's pussy, making her moan and sigh. She took

my hand and licked my fingers with great relish.

Angela got on her knees between my thighs and pushed my legs wide open. By now I was down to my garter belt, stockings and diamonds. Opening my pussy lips, she began to lick my hard clit until it was swollen and throbbing. Somehow she managed to play with her own pussy. Oh, to young and nimble again. Angela grabbed a purple rubber dildo that she had already packed and showed it to me. I was

so excited by the sight of it that I opened my legs even wider. She pushed the dildo into my swollen pussy and I began to softly scream at the rhythmic insertions. I bucked my hips into the toy and let them grind into it until my pussy juices squirted out a gushing orgasm.

I quickly composed myself as she pulled it out of my pussy and put it immediately into hers, pulling my head to lick her clit as she inserted it. I took over the task at hand and swirled it deeper into her wetness. She moaned loudly and I put my free hand over her mouth. She began to lick my fingers as I pushed them deeper through her lips. I gave the dildo one last long push and she bucked with pleasure as she came all over again.

I told her I think I hear my husband coming up the stairs. I dressed quickly as he knocked at the bedroom door. I opened it a crack and slid out before he could see the room – and Angela. I told him Nadine was out getting more boxes and would return in a minute. He looked at me with a glint in his eye as I pulled him down

the hallway and into our bedroom. Our sex was so hot that night. I felt like a 19-year old again, but did not tell him.

– *Nadine's mom*

Dear Editor:

I'm writing because I've noticed something when my wife and I fuck and don't know if it's natural or not. If you or your readers have noticed something similar, please let us know. She's asked her gynecologist, but felt she didn't get a good answer because the gyno hadn't heard about this very much.

My wife and I are really into oral sex and it's a major part of our lovemaking. When she comes after giving her head and we're fucking, I sense that her pussy is tighter than when she doesn't cum after oral sex or no oral at all. Now don't get me wrong, she's 51 and has pushed out a couple of kids, so a tighter pussy is a welcome treat. When we talk about it she says she also feels tighter and likes the sensation.

We attribute it to vaginal muscles tightening because of their contractions during orgasm.

But they stay tight for a good long while after she cums by my mouth. Sometimes she lets me finish her orally before we fuck, and sometimes she stops me because she wants me to fuck her and cum inside her. I sense that she's not as tight then, but she seems tighter for a good long while after she cums by my mouth. Sometimes I have to take my time entering her so that it doesn't hurt her.

We've discussed this situation among ourselves many times before she finally asked her gyno. She told her that after cumming by my oral stimulation, we both noticed that she felt tighter. The gyno offered up no real reason and had not heard about

it, except for a couple other times, but had no answer for it then also.

So my question to you or your readers is... has anyone else ever run into this situation? It's not really a big deal because we like the feeling but it's a curious thing and wonder if anyone else has had the good fortune also. We'd like to know.

– *Thanks. Nick and Eve.*

Dear Letters Editor,

I'm at the office on my lunch hour and I just gotta email you with this. My wife and I love nudie time! We get as naked as we can whenever and wherever we can. We're not exhibitionists or naturists,

but fortunately, we just love to be naked. After I get home and put my stuff away we get naked. Sometimes she's already naked, sometimes I help her get naked or she helps me get naked. Then we spend the evening naked. Having dinner, doing the dishes, surfing the internet, watching TV – all naked. Hell, we even sleep totally naked.

Since we started doing this, we have become much more comfortable with each other's bodies. And while neither one of us are in great shape or have a sexy body, we love and adore each other being naked. We encourage your readers to give it a try.

I grew up on a large midwest farm so I'm an old-fashioned kinda gal that likes to fuck until the cows cum - home. I'm a cock-sucking machine kinda like the milking machines we have on the farm. Put a cock in my mouth and I won't stop until it's sucked dry. And I can do it faster than the milker. Got that boys!

Did you like what you saw? Do you think I can suck cock better than most after more than 35 years of doing it? Now don't you think that older women are a better fuck? We may not be as fresh and tight but what we lack in young looks, we more than make up for it in experience with our mouth and pussies. After all, that's what you're fucking.

So if you haven't checked out my hot live action scene yet, download it now and see what a real cocksucker can do!
